Scholarship opportunity available for HCC students

Have you ever dreamed of learning how to speak Chinese? Now you have a chance to learn a new language and live in Taiwan.

The Education Division of the Taipei Economic and Cultural Office in Houston in partnership with Houston Community College ASPIRE, are offering you financial assistance for a once in a lifetime opportunity to live and study in Taiwan. How long you stay is your choice. It could be anywhere from two months to one year.

The Ministry of Education (MOE) Huayu Enrichment Scholarship (HES) is to encourage American students and individuals to undertake Mandarin Chinese language training and courses at Chinese language institutes affiliated with universities or colleges in the Republic of China (Taiwan).

Visit **www.studyintaiwan.org/scholarships** to apply.

The scholarship is for 2016-2017. Applications must be submitted between February 1- March 31, 2016 and postmarked no later than March 31, 2016.
